YEAR IN REVIEW - 2024

As 2024 comes to a close, we at The One Rescues reflect on a year marked by both heartbreak and hope. This year, the world's attention was once again drawn to the devastating reality of human trafficking and child slavery.

Millions of lives continue to be exploited in unimaginable ways, with children among the most vulnerable. Yet, amidst this darkness, we found our purpose: to rescue, restore, and empower those trapped in the shadows.

Our Beginning

Our journey began in July 2024, sparked by a single, desperate email. Two brave young girls fleeing the Taliban reached out for help, igniting a mission that has since grown beyond anything we could have imagined. Their courage became the catalyst for The One Rescues, a nonprofit organization dedicated to fighting the world's worst crimes against humanity.

What started as a simple act of compassion has evolved into a bold commitment to justice. These two girls reminded us of the power of one act, one rescue, and how it can ripple into profound change. Their story is now a cornerstone of our mission, inspiring us to go wherever the need is greatest.

Impact in 2024

In just six months, The One Rescues has made significant strides. We are proud to share that we have successfully rescued 24 individuals from the grips of human trafficking and slavery.

Among them, 16 were children who now have a chance to rebuild their lives in safety and dignity. Every number represents a life, a name, a story, and a future that is no longer defined by exploitation.

Our work is made possible through the tireless dedication of our team, the generosity of our supporters, and the resilience of those we serve. Together, we are proving that change is not only possible—it is happening.

The Plight of Human Trafficking and Child Slavery

Human trafficking remains one of the most pervasive crimes in the world. In 2024 alone, it is estimated that over 50 million people were enslaved, with children accounting for a significant portion of this staggering figure. These young lives are often subjected to forced labor, sexual exploitation, and other forms of abuse that rob them of their innocence and potential.

The statistics are harrowing, but they fuel our resolve. We refuse to turn a blind eye. Every child deserves freedom, safety, and the opportunity to dream. That belief drives everything we do.

Thank You

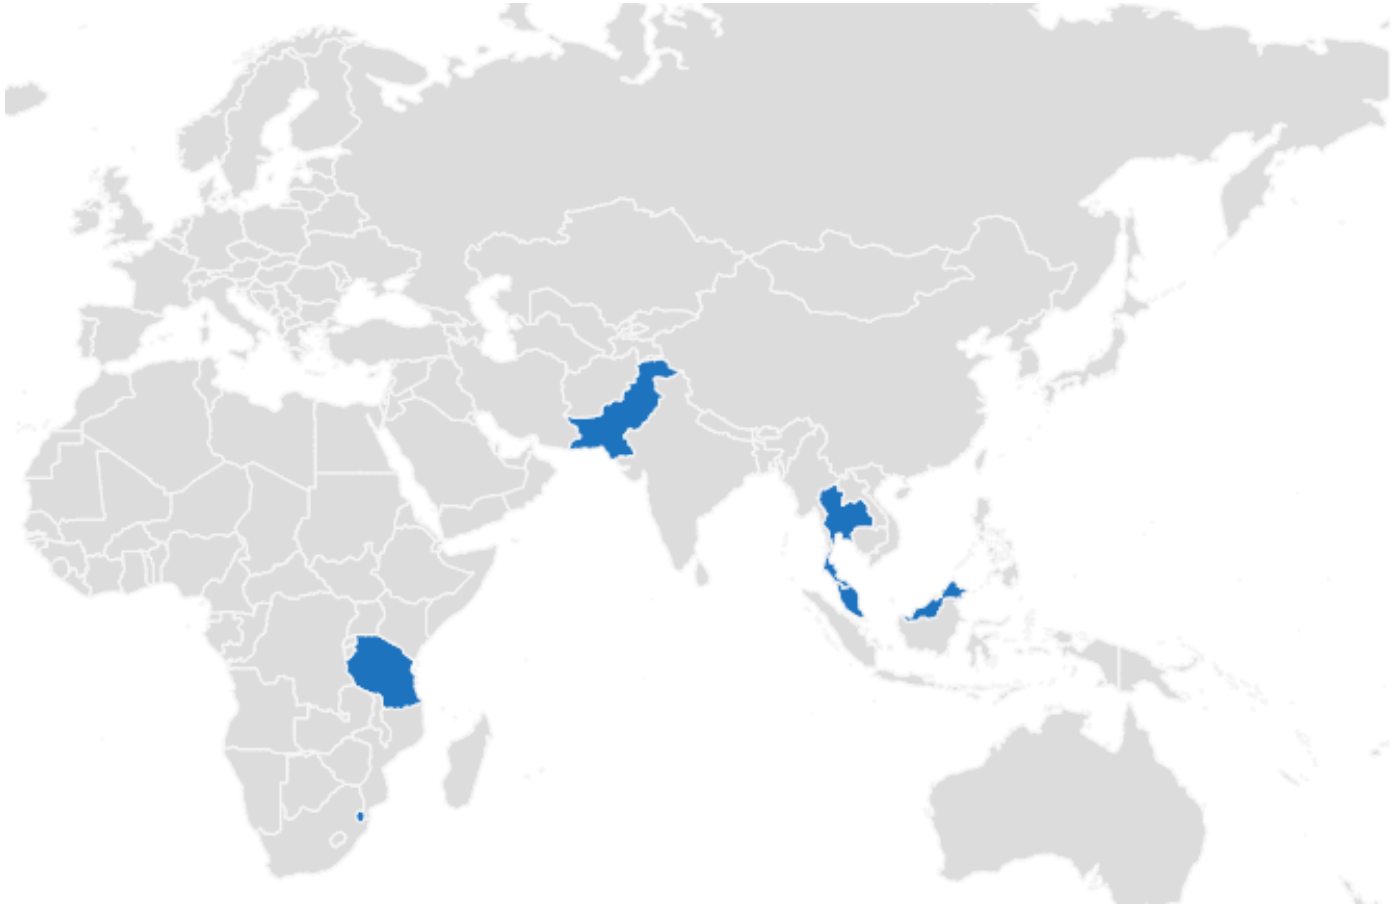

To our supporters, partners, and advocates: thank you for standing with us in this critical mission. Your belief in our cause and your willingness to take action make all the difference.

Together, we are building a future where freedom is not a privilege but a fundamental right for every human being. As we close 2024, we ask you to join us in reflecting on the lives we have touched and the work still to be done. Let's carry the momentum of this year into the next, united in our vision to end child slavery and human trafficking.

From all of us at The One Rescues, thank you for being a part of this incredible journey. Here's to a future filled with hope, freedom, and the power of one rescue at a time.

**Sincerely,
Lee West
CEO and Founder**

A GLOBAL VIEW

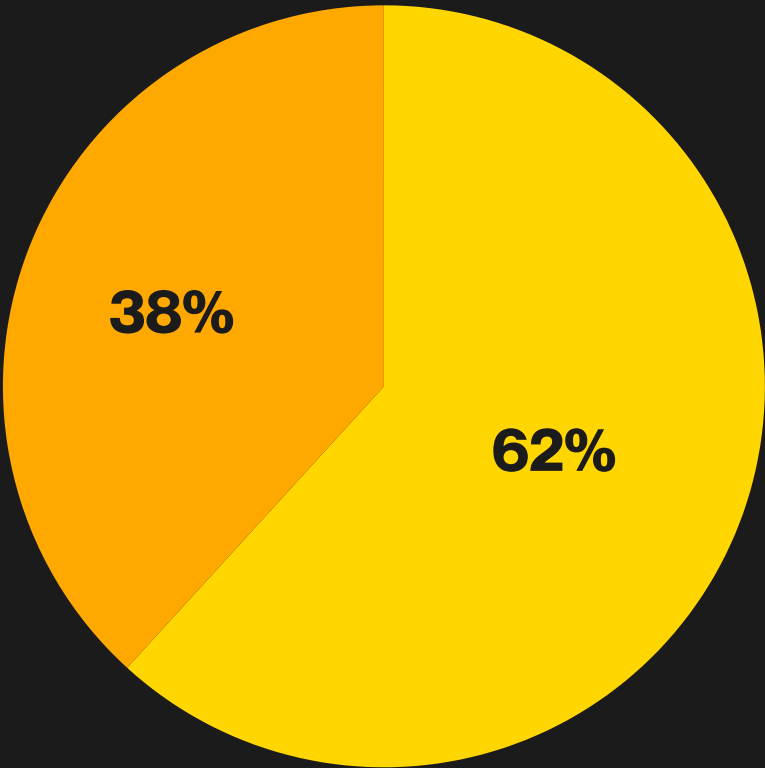

We have teams and partners on the ground in Pakistan, Eswatini, Tanzania, Thailand, and Malaysia.

We are also in the process of establishing a new partner in Bangladesh.

A GREAT 2024

24 people rescued, 16 of them were children.

The One Rescues started with a cry for help from two young girls running from the Taliban. We are still hiding them and their family in Pakistan successfully, and providing for them monthly, as we seek to resettle them in 2025.

Rescuing Christian families and children from the brick factories has been such an amazing joy. To see the smiles restored on the families faces and to know the children have a future and a hope makes it all worth it.

Our work in Eswatini is just starting as we are renovating 2 recovery homes and preparing them for victims to be loved, cared for, and restored to a life worth living.

Looking Forward

The journey of The One Rescues has only just begun.

As we step into 2025, we are committed to expanding our reach, strengthening our partnerships, and innovating new strategies to combat trafficking and slavery.

We are determined to rescue more children, disrupt trafficking networks, and bring hope to the hopeless.

We know the road ahead will not be easy. The fight against human trafficking requires unwavering courage, resources, and a global movement of compassionate individuals.

We also know that together, we can create a world where no child suffers in slavery, trafficking or exploitation.

**Partner with us to make 2025 a year
where lives are set free, smiles
restored, and futures realized.**
